Education

- **PhD in Mathematics at University of Houston** Fall 2022-2024 (Academic leave, passed all comprehensive exams and coursework)
- **MS in Mathematics at CSULB** 2021
- **BS in Mathematics at UCLA** 2013

Teaching Experience

- **Adjunct Professor of Mathematics, San Jacinto College** August 2025 - present; Adjunct Math Professor; Houston, TX
- **Adjunct Professor of Mathematics, Culinary Institute LeNotre** August 2025 - November 2025; Math instructor; Houston, TX
- **Adjunct Professor of Mathematics, Houston Community College** January 2025 - present; Lecturer for Calculus & Precalculus; Houston TX
- **Teaching Fellowship, University of Houston** Fall 2022 -Spring 2024 Multivariable Calculus, Intro to Advanced Mathematics, Calculus 2, Accelerated Calculus 2; Houston TX
- **ISA/Mathematics Tutor, CSULB** 2020-2021; Long Beach, CA
- **Lead Instructor, Mathnasium Learning Centers** 2018-2019
- **SI Leader/Math Tutor, Cypress Community College** 2008-2010
 - SI leader for Business Calculus & Differential Equations/Linear Algebra
 - Tutored numerous math courses from Elementary Algebra to Calculus

Awards and Certificates

- Lifeguard and CPR/First-Aid certified 2006 - present
- WSI water safety instructor certified 2019-present
- Outstanding Tutor Award Cypress College 2010

Community

- Created a mathematics education company called MyMathYourMath with domain <https://mymathyourmath.com> and a YouTube Mathematics channel: <https://www.youtube.com/@MyMathYourMath>, where I offer tips & tricks for the public across a wide array of Math topics, from elementary algebra to geometry to basic point set topology to probability.
- Created a discord channel (associated with my company and website) providing free math homework help, in real-time, to students of all different levels in math.
- I regularly answer questions on Quora under the username MyMathYourMath: <https://www.quora.com/profile/MyMathYourMath>, 2021-present

Publications

- My (2) Cents on Calculus (1), Volume I of III, A Calculus Series; Textbook for Calculus 1 I solely authored - November 2025, Pasadena TX. Available for purchase [here](#) on amazon. (<https://a.co/d/1Rf5w8J>).

Professional Organization Membership

- MathStackexchange: <https://math.stackexchange.com/users/620355/mymathyourmath?tab=profile>, 2018-present

Languages

- Persian-Native; Proficient in Reading & Writing

Research Experience

- Conducting p -adic Analysis textbook exercise solution publication. Specifically, introducing the p -adic metric on \mathbb{Z} and showing its completeness in the p -adic norm. Long Beach, CA. 2021
- An Anlysis of my MS degree in Math advised by Dr. Babbett Benken. Long Beach, CA. 2021
